

Operation Warm Up a success

As this year's co-chairs of the NCJW/Cleveland project, Operation Warm Up, we had the honor seeing firsthand the entire Jewish community coming together to support a great cause. It was truly inspiring.

NCJW volunteers handed out 2,172 jackets, scarves, hats, boots and gloves to more than 1,500 individuals and families facing poverty and homelessness during the 25th annual Homeless Stand Down event. This was the largest collection the Jewish community has ever donated to Stand Down recipients.

We could not have done this alone. We offer sincere thanks to the Jewish community, The Horvitz YouthAbility program and others for their generous support of program. This year, we had 30 drop-off sites and 25 dedicated committee members who helped donate, sort and deliver the donations.

We are already looking forward to next year's collection.
